

**THE DIRECTOR OF
CENTRAL INTELLIGENCE**

Deputy Director for National Foreign Assessment

11 June 1981

NOTE FOR THE DIRECTOR

I had conversations yesterday with Rowan and McMahon. As a result, I believe that they do not share an understanding of your intentions in allocating responsibilities for the production of national intelligence, specifically who is to be responsible for overseeing and managing the production of national estimates. You may be in danger of losing one or the other of them.
